## Yonkers Center™

For Nursing  
and Rehabilitation

## About us

Situated in lower Westchester county, overseeing the Hudson River, Yonkers Center is a 200 bed skilled nursing facility. Our beautiful healthcare center provides restorative care for short term rehabilitation as well as a comfortable long term living environment.

At Yonkers Center, wellness is within reach, achieved through our warm approach toward our residents' individual needs. Our high standards of treatment and outstanding customer service ensure a wonderful stay at our home for all residents.

We value the relationship we share with our residents and their families and are passionate about working together on caring, communicating, and supporting their every need.

## Exceptional Care

Personalized care makes a world of a difference on the road to recovery. That's why our medical team takes the time to get to know each of our residents on an individual level, determining which therapies and services will stimulate a faster recovery.

### Extensive Therapy Services

When independent living is no longer possible, we'll care for your loved one with our signature warmth and outstanding programs, allowing them to enjoy a rich, fulfilling life.

We take great care to ensure our residents feel and look their best, physically and mentally.

Psychological care is of paramount importance, with social workers and psychologists available to provide emotional support.

Our on-site beauty salon helps residents feel beautiful and well groomed to help boost their morale.

Our caring and energetic recreation department arranges daily activities to give our residents a social outlet and to put smiles on their faces.
